Re: Request of Waiver of Late Penalty
Fiscal Year (FY) 2000 Regulatory Fee for
WTCL AM
Fee Control No. 00000RROG-04-004
Bill No. 2000-9MB-0720

Dear Ms. Metz:

This is in response to your request dated May 12, 2003 filed on behalf of WTCL AM, of Chattahoochoo, Florida, for a waiver of the \$62.50 penalty for late payment of Fiscal Year (FY) 2000 regulatory fees. Our records reflect that you paid the \$250.00 fee on June 27, 2003, but that you have not paid the late penalty. In support of your request, you indicate that the poor economy has made it difficult to sell radio time.

Section 9(c) of the Communications Act of 1934, as amended, requires the Commission to assess a late payment penalty of 25 percent on any regulatory fee not paid in a timely manner. It is the obligation of the licensees responsible for regulatory fee payments to ensure that the Commission receives the fee payment no later than the final date on which regulatory fees are due for the year. We find that WTCL AM did not file its FY 2000 regulatory fee by September 22, 2000, the final date of the regulatory fee filing window for FY 2000. Therefore, WTCL AM has not met its obligation to file its regulatory fee in a timely manner. We therefore deny your request for rescission of the penalty for late payment of the fiscal year 2000 regulatory fee.

Payment of WTCL AM's late payment penalty of \$62.50 for FY 2000 is now due. The late payment penalty must be filed together with a copy of Bill No. 2000-9MB-0720 within 30 days from the date of this letter. If you have any questions concerning this matter please contact the Revenue and Receivables Operations Group at (202) 418-1995.

Sincerely,

Mark A. Reger

Dear Licensee:

This letter is in reference to the annual 2000 regulatory fee(s), which were due to the Federal Communications Commission (Commission) by no later than September 22, 2000. This is a mandatory fee established by Congress in accordance with The Omnibus Budget Reconciliation Act of 1993. The fees are used to offset costs associated with the Commission's enforcement, public service, international and policy and rulemaking activities.

The Commission is currently verifying its FY 2000 Mass Media Bureau regulatory fees collection to identify those regulatees who have not paid. Our research indicates that we have no record of your 2000 regulatory fee payment for the following call sign:

WTCL-AM

The amount now due is \$250.00 plus a 25% penalty of \$62.50 for late payment of the fee(s). The total amount now due is \$312.50. Payment in full should be remitted with the enclosed Form 159 to: **Federal Communications Commission, P.O. Box 358835, Pittsburgh, PA 15251-5835 within thirty (30) days of the date of this letter.** You should submit all payments that may be due including the 25% penalty for each call sign. To obtain a copy of the Public Notice for further instructions, go www.fcc.gov and click on "Fees." Then click on Regulatory Fees and locate your particular service.

If payment has been made, please provide a complete copy of your submission including proof of payment. If you believe you are not obligated to pay under the Commission's rules, please submit complete documentation supporting your position **within thirty (30) days of the date of this letter.** These documents should be sent to: **Federal Communications Commission, Revenue & Receivables Operations Group, Room 1A821, 445 12th Street, SW, Washington, DC 20554.**

You are cautioned that failure to respond and/or pay the penalty will subject you to further sanctions as defined by CFR Section 1.1164 of our Rules. These sanctions include subjecting the delinquent payer's pending applications to dismissal, and may require a delinquent payer to show cause why its existing instrument of authorization should not be revoked. Further sanctions include interest charges, and the full cost of collection to the Federal Government pursuant to Section 3720A of the Internal Revenue Code and the provisions of the Debt Collection Act.

If you need further assistance, please contact the Revenue & Receivables Operations Group at (202) 418-1995.

Susan Donahue, Chief
